

This form is required for all Biology faculty hires and any Clinical faculty hires who have an existing research program or will have a research program where the research will take place in the Brown University portfolio. This information will help the Department and Division understand the specific needs of a hired candidate to ensure adequate support and space can be provided, resulting in a successful on-boarding.

**Animals – Check if N/A**

**Use of animals?**                      Yes                      No – if no, skip to Facilities section

**If yes, species:** \_\_\_\_\_

**Number of animals:** \_\_\_\_\_                      **Denote if:**                      Individual                      Cage/pen/tank

**Are any animals being transferred from another institution?**

**Yes, Institution:** \_\_\_\_\_                      No

**Special species requirements (i.e. light cycles, noise/vibration concerns)?**                      Yes                      No

**If yes, what kind:**

**Surgery/procedure space needs:**                      Yes                      No

**If yes, what kind:**

**Imaging needs:**                      Yes                      No

**If yes, what kind:**

**Hazard Use:**                      Biological                      Chemical                      Radioactivity

**Unique IACUC needs (i.e. collaborations, field studies)?**                      Yes                      No

**Facilities – Check if N/A**

**Specific lab needs?**                      Tissue culture                      Dry computational                      Wet bench space

**Estimated size of space needed, number of workstations:** \_\_\_\_\_

**Estimated number of people expected in lab, if applicable:** \_\_\_\_\_

## Equipment – Check if N/A

**Specialty equipment needs:**            Yes            No

**If yes, what kind:**

**Transferring equipment?**            Yes            No

**If yes, what kind:**

**Specialty IT needs?**            Yes            No

**If yes, what kind:**

## Contacts

**Animal Care:** [Lara\\_Helwig@brown.edu](mailto:Lara_Helwig@brown.edu) if candidate is an animal user

**Facilities:** [Adam\\_McGovern@brown.edu](mailto:Adam_McGovern@brown.edu)

**Specialty Equipment:** [Pamela\\_Swiatek@brown.edu](mailto:Pamela_Swiatek@brown.edu) if candidate has specialty equipment
